Dear Supporters of Safety,

January 1, 2012 marks the beginning of a new membership year for the ACPA, Inc. This letter is being sent to encourage and remind you that your 2012 membership renewal is now due.

As an added incentive to complete the renewal process, we are offering a special \$10 membership discount to all Memberships renewed or initiated prior to January 31, 2012. Membership costs allow you and/or your agency or business, the opportunity to attend the many ACPA-hosted trainings free-of-charge or at a significantly reduced rate. Additional benefits include: accessing the "Members Only" section of our web site, priority reservation of the EZ Child Identification system and for businesses, your business name listed as a business member on our website as well as various opportunities to spotlight your business at appropriate ACPA sponsored events.

Since 1977, the ACPA, Inc. has continued to grow in membership, networking opportunities and in its reputation of being a leader in providing professional, top-notch trainings, events and outreach and education throughout the state. Membership fees make up the largest percentage of the ACPA's training and event budget and allow us to continue to provide these services to you and the community in which we live.

Again, we hope that you will consider your timely renewal and take advantage of the \$10 discount. If you have any questions or we are able to assist you in any way, please do not hesitate to contact me (480-635-7521) or any board member. Additional information regarding our organization can be found online at [www.acpa.net](http://www.acpa.net).

Sincerely,

Vickie Owen, ICPS  
President Elect, 2007-2012
